Dear Parent/Carer,

I am sorry to have to write to you with such bad news. On Wednesday night, our school was broken into and a large number of our laptops have been stolen.

I am sure that like us, you are absolutely devastated to hear this appalling news as it is an attack on each and every child that attends our outstanding school. The laptops were extremely hard to buy in the first instance as I am sure you are aware how costly they are. However, far more importantly than this fact is that they were set up specifically for our children and their learning, and contained much of their ICT work. This will of course be lost now unless the computers can be recovered.

The CSI Police spent much of yesterday with me at school looking at the crime scene together with our extensive CCTV footage. The criminals have made many errors in their crime and this, together with our CCTV evidence means we have a good chance of finding who is responsible for this despicable act against our Infant and Nursery School.

I simply cannot comprehend how anyone who is a part of our wonderful community could even contemplate committing such an awful crime against our innocent, hard working and committed children.

I will, of course keep you informed of progress about this matter.

Yours sincerely,

Rachael Judd
