### PE and Sport Premium – 2014/15

The government is providing additional funding of £150 million per annum for academic years 2013 to 2014 and 2014 to 2015 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - will be allocated to primary school headteachers.

This funding is ring - fenced and therefore can only be spent on provision of PE and sport in schools. It equates to approximately £8000 plus £5 per pupil of statutory school age. Schools must account for this money and look at how it will impact on the provision of high quality PE and sport in school. Mousehold Infant and Nursery School is using the money for academic year 2014/15 as follows:

- High Quality PE training for teachers £3,900
- PE Advisory support £1,050
- PE equipment and resources £2,500
- Training and resources towards gaining the High Quality PE Chartermark £600
- A further sum on training

### Measurement of impact:

- Children will benefit from high quality PE equipment and resources – assessment of children to be done across all year groups by subject leader
- PE Subject Leadership training
- High quality professional development will ensure teachers provide the very highest quality PE lessons –to be monitored by subject leader
- We aim to achieve the High Quality PE Chartermark Award
