18th September 2020

Dear Parents/Carers,

This week has been another busy week and we have welcomed our new Nursery and Reception children. They are settling very well and have already made some new friends. They have particularly enjoyed their lunchtimes and are eating well! I would usually have been on the playground to welcome our new families but on Tuesday I fell ill after a fall and needed to be checked over in hospital. I have spent the last few days getting better at home and doing some work remotely. The school has been in very good hands and as in true Mousehold style everyone has pulled together well.

You might have seen in the news about the shortage of Covid tests and long waiting times for tests and results. We know that some of our families and staff have experienced this and it is frustrating but please know that we understand it is difficult for some of our families and it is a situation we aren't in control of.

If you are uncertain as to whether you or a family member needs a test then this website should help you:

<https://111.nhs.uk/covid-19/>

We are hoping that our daily bubble bulletin is helping you and reassuring you. It certainly shows how frequently children and/or staff are being tested because of having one or more of the symptoms – that are often related to other common illnesses. We will continue to communicate with you regarding this situation across the whole school.

Children across the school have adapted well to our new arrangements and routines. They are enjoying school and having lots of fun each day. You should be very proud as parents and carers.

I look forward to seeing you soon.

Have a great weekend.

Yours faithfully

Rebecca Westall

Headteacher

Headteacher: Mrs Rebecca Westall Deputy Headteacher: Mr Ian Tolson
Designated safeguarding leads: Mrs Westall, Mr Tolson, Miss Wood
