12th February 2021

Dear Parents/Carers,

This has been a week none of us expected. With more snow than forecast and freezing temperatures it has really felt like the depths of winter. But this week has also given us more time with our families and time to enjoy the snow together in a time when other parts of daily life might be difficult. The sun has been there at times too and everything has looked magical and beautiful covered in white. You have helped make more memories for your children and these are the times they will look back on with fondness.

Positive cases w/b 8th February

We have had no positive cases this week.

Remote Learning

We have been really pleased with how many children have accessed the VLE or collected paper copies from school. There are 20-30% of children not accessing the learning provided. Please contact the school if you need help with this. We provide the activities to make it easier for parents to help their children. Teachers work hard every day to plan the activities for your children and respond to any questions you might have. They also give feedback to children and deliver live zoom sessions. It is rewarding for teachers to see how many children are benefitting from all of this provision.

Mousehold Facebook Page

We are so proud of our school Facebook page. It is a very positive space for celebration, news and support. Thank you for keeping it so positive. We really do feel like a strong community and always getting stronger. We will not be adding posts during half-term week so please don't send photos in. Our Facebook admins deserve a rest and will be on it again after half-term.

Half-term and notification of positive cases

It is half-term next week and we are closed to all children. If your child tests positive for Covid 19 during half-term then please e mail the school office. If we hear of a positive case in your child's bubble within 48 hours from when your child was last in school, then we will of course inform you with the details of self-isolation.

Headteacher: Mrs Rebecca Westall Deputy Headteacher: Mr Ian Tolson
Designated safeguarding leads: Mrs Westall, Mr Tolson, Miss Wood

Thank you for your wonderful support over the last few weeks. We are getting through this difficult time together and hopefully it won't be too long before we are all back together again.

Have a fun half-term together and hopefully the sun will shine.

Yours faithfully

Rebecca Westall

Headteacher
